INFORMED CONSENT

Thank you for your interest in Integrate Health Services. Please be aware that all client information will be stored as confidential clinic records. Where assessment services are provided, information shared will become part of a consult letter, which will be forwarded to the client and/or parent(s)/guardian(s) and referring physician. Any additional information shared outside the clinic would require the written permission of the client or parent(s)/guardian(s) (when the client is under the age of 16 or unable to provide consent).

CONFIDENTIALITY:

There are by law, certain circumstances in which confidentiality cannot be maintained.
These situations would include: (1) suspected child abuse or neglect (2) circumstances where the client has become a danger to themselves or others, (3) when information has been subpoenaed by the court. Should you have any questions about the limits of confidentiality, please contact an Integrate Health Services team member.

PARENTAL CONSENT:

All children under 16 years of age require parental/guardian consent to access services at Integrate Health Services. Clients over the age of 16 (who are believed to be capable of understanding the details of informed consent) are able to sign their own consent for services.

APPOINTMENTS:

Please ensure you arrive on time for your scheduled appointment, as we are unable to extend your session time. No show appointments will be subject to a full session charge.

WAIVER:

My child's photograph/visual likeness may be displayed at Integrate Health Services office (for the purposes of client awards/recognition). ***I give consent*** ☐ ***I do not give consent*** ☐

INTEGRATE HEALTH SERVICES TEAM APPROACH- CIRCLE OF CARE:

Integrate Health Services is a multi-disciplinary team working in partnership with Kids Clinic. We are comprised of various health professionals and in circumstances where it is believed to be in the best interest of the client, please be aware that personal health information may be shared among healthcare providers at Integrate Health Services and Kids Clinic. Information shared will be determined on a case-by-case basis dependant upon the needs of the individual client(s). *When you access speech therapy services, please be aware that the information you provide to Integrate Health Services or Kids Clinic is shared with our partner Speech Therapy Centres of Canada. By signing this form, you are consenting to all services provided through Integrate Health Services or Kids Clinic, including those affiliated with Speech Therapy Centres of Canada and understand that the same limits of confidentiality apply.

CONFIDENTIALITY WITH CHILDREN:

In order for children and adolescents to feel safe and be able to identify and discuss concerns, they must feel a sense of privacy and some control over the information they share. At Integrate Health Services, it is our responsibility to honour and respect the child or adolescent's confidentiality- this is crucial to developing trust and achieving positive outcomes. We understand that parent(s)/guardian(s) want to be updated regarding the assessment/counselling process and be made aware of any information that would assist them in better supporting their child/adolescent. We will always seek permission from the child / adolescent to share relevant themes or details where it is determined to be in their best interest to do so.

If other family members may participate in counselling sessions, please list them below:

	Name	Relationship	Date of Birth
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____
